New Area Added To Fire District At Board Meet

Large Area is Now Under Protection From Department

The Truckee Fire District today is many times the size it was yesterday.

The Nevada County board of supervisors, following a public hearing at Nevada City yesterday afternoon, ordered included in the district all the territory which recently petitioned for annexation.

The area now in the district roughly embraces a three mile strip a mile wide from the sewer farm east of Truckee to Donner Monument on the west and includes Gateway Park and Meadow Park as well as adjacent home and business sections. The Truckee Lumber and Stockton Box Company holdings, Crandall Brothers and Southern Pacific property nearby are all part of the present district.

District Attorney Vernon Stoll said yesterday that in his opinion the "fringe" area is now a part of the district and is entitled to the services of the fire department and other privileges of the district but that for tax levying purposes nothing can be done until the next regular tax period.

R. N. Little, secretary of the fire district board of commissioners, has instructed Fire Chief N. F. Dolley to include the newly annexed area in the protection scope. A previous order forbade the equipment leaving the cramped district which then extended only from the James McIver home in west Truckee to a section of River Street east of town.

Dolley has called a special meeting of the Truckee Volunteer Fire Department for 7:30 next Tuesday evening. At that time problems attendant to the expansion will be discussed and a study of existing facilities will be made with an eye to providing immediate emergency protection to the district with the equipment now available. The session will be held at Cozzi"s Cafe, opposite the high school.

ADDED SERVICE BY RAILROAD IS REVEALED HERE

To relieve the suspense of making coach reservations on the Southern Pacific's Overland there has recently been established an extra coach car between San Francisco and Reno to accommodate passengers from Reno and Truckee.

This is expected to be a permanent car and seat space can now be reserved in advance on this car in either or both directions. E. K. Stice, local agent, said he hopes this will help encourage passengers to make use of the service more frequently and thus justify this extra car.

GIRLS SPEED IN SWIM AT DONNER

Pat and Sandra Morgan, 16 and 14 years old daughters of Mr. and Mrs. Peter Morgan of San Carlos, swam one mile across Donner Lake on September 3, making the distance in 22 and 24 minutes respectively, according to William Ost of Donner Lake, host to the visiting family for several days.

The sisters are junior life guards at Sequoia High School in Redwood City and have been instructed in swimming by Ray Dimick. They are ambitious to swim the length of the lake — approximately 3½ miles — in the near future.

RECEPTION HERE FOR O.E.S. OFFICER

A reception will be held in the Masonic hall at Truckee Saturday evening, September 19, for Mrs. Thresia Buddle, deputy grand matron of the Fifth District of the Grand Chapter of the Order of Eastern Star. All members, officers and visiting members are invited to attend.

NOTICE OF BIRTH RECEIVED HERE

Mr. and Mrs. Stanley Zwarg have received announcement of the birth of Leslie Marie to Mr. and Mrs. C. E. Marks at Fontana Friday, September 11. The babe was a buxom 9 pounds 11 ounces upon arrival.

Mrs. Zwarg is a great-aunt of the child and her mother, Mrs. Mamie Horn, who has often visited here, completes the four living generations of the family.

Fair Visitors—

Mr. and Mrs. Wm. Frey attended the state fair at Sacramento last weekend.

Man Loses Leg As Car Crashes Near State Line

Edgar Merritt Case, 70, San Francisco, had his right leg amputated a few inches above the ankle Sunday afternoon at 3:00 o'clock when the car he was driving crashed into a tree near Farad.

State Patrolman William Gautsche said the car apparently skidded on the pavement during a brief rain shower, causing it to go out of control. The injured man was en route to Reno to visit his daughter when the mishap occurred. He was taken to a Reno hospital for treatment.

Thomas Exley, 68, Reno, was hurt and taken to the Tahoe Forest Hspital a short time later when his car ran off the highway five miles east of Truckee. Patrolman Carroll Maynard said Exley told him he was reaching for a cigarette and lost control. He was cited for not having his vehicle under control.

Elvin C. Dixon, 49, Folsom, was treated at the local hospital after his car ran off Highway 89, nine miles south of Truckee Saturday morning at 2:30 o'clock. He was cited by Patrolman Roy Stallard for speeding and not having his car under control.

PARKING LOT TO BE ABANDONED BY TRUCKEE C. OF C.

After consultation with the originators of the plan and other local business people, Cliff Ellis, president of the Truckee Chamber of Commerce, this week announced that the chamber is relinquishing its lease on the free parking lot in the rear of the business section.

The lot was developed last summer when a petition signed by a large number of business firms, leading the chamber to assume it would be used extensively. The results this summer proved otherwise and use does not justify the $50 monthly rental, Ellis declared.

At the last meeting of the chamber, it was voted to leave the matter in the hands of the president, who agreed to determine the concensus of opinion before taking definite action.

STATION SALE REVEALED HERE

Frank B. Borden, well known Truckee resident, is purchasing the interest of G. C. Browne at the Associated Wye service station a mile west of Truckee, according to announcement this week by officials of the Associated Oil Company.

Borden will continue on his contract to haul mail to Tahoe but will devote most of his time to his new enterprise. Browne has accepted a position at Lake Tahoe.

ROTARY TO BUY HOSPITAL FLAG

The Truckee Rotary Club voted unanimously to purchase a new flag for the Tahoe Forest Hospital at the meeting held Monday at Donner Lake Lodge. A colored motion picture was presented to highlight the entertainment.

Visiting Rotarians were Archie Johnson of Dayton, Ohio, and Dr. Hymie A. Bull of Chino. Bert Marrow Hart of Auburn was a guest. John Richards presided with Dale Thomas program chairman.

THREE JAILED ON DRUNK CHARGES

James Surratt, Cecil E. Burton and Charles Gonzales, employed by a railroad building gang at Norden, were sentenced to serve 30 days in jail following their conviction before Judge F. W. Wilson of charges of being drunk and disturbing the peace. They were arrested by Deputy Sheriff Roy Waters who was called to Norden when reports were received that a brawl was in progress.

Goes Below—

Mrs. Joe Mattos accompanied her grandson, Joe Miller, to Sacramento last weekend where the latter re-entered school after spending the summer with his grandparents. Mrs. Mattos visited relatives in the capital city and then made a trip to San Francisco for further visiting.

Dollar Wins At Annual Gold Cup Race At Tahoe

Ideal Weather, Big Crowds Feature Regatta At Lake

TAHOE CITY— The first annual Sky-High Gold Cup boat races on Saturday attracted a crowd of some 15,000 and on Sunday the speedboat fans' numbers were estimated by officers in charge to have reached nearly 20,000.

Officials of the American Power Boat Association which sanctioned the regatta said they were favored with the most ideal weather ever experienced in a Gold Cup event.

Victory for Dollar

The huge crowd saw Stan Dollar Jr. lead his field of the fastest boats in all three heats to victory in the unlimited race for the $5000 Gold Cup. His speed was 92.276 miles per hour. One heat was run on Saturday and the last two on Sunday. It was the last heat Sunday that tested Dollar's skill in taking the turns as he has always been famous for. His Short Snorter was hard pressed on the mile straightaway by the Hurricane IV driven by Bill Stead of Reno, whose speed was 86.914 mph.

It was the little 266 cubic inch hydroplane Ruthless, driven by Kenneth St. Oegger of La Crescenta that stole the show from the big boats as it passed up the big Hurricane on the outside run and at times threatened to overtake Dollar. Each time, however, the Ruthless would fall back either on a rough water turn churned up by the other boats or on the inside turn where the Hurricane made its best time.

Henry J. Kaiser, who was unable to enter his 3000 horsepower Hot Metal, was so impressed by the speed of the little red third place winner that he purchased it from St. Oegger right after the race.

Mrs. Meek Wins

In the ladies' Gold Cup event on the first day, Mrs. Phyllis Meek of Lafayette drove Dollar's Baby Skip Along to win over Mrs. Henry Kaiser driving Star Dust.

On Sunday Mrs. Barbara Santos of Stockton stole the show, driving Do It Again. According to APBA custom, she was dunked in the lake by the pit crew, an initiation for her first race winning.

Prize money of $3150 and three place trophies for the limited class hydroplanes were awarded with the Gold Cup for men and women on Sunday night at a dinner at a north shore resort.

NEW SCHEDULE FOR MASSES IS ANNOUNCED

Rev. Patrick O'Neill announced this week that the present Catholic Mass schedule is as follows:

Daily Mass will be held in Assumption Church in Truckee at 8 a.m. and the Sunday Mass will be said here at 9:30 each Sunday for the remainder of the year.

Corpus Christi Church, Tahoe City, will have Sunday Mass at 8:30 a.m.

Our Lady of the Lake Church at Kings Beach will have Sunday Mass at 10:30.

Confessions will be heard before all Masses and whenever requested at Truckee. Father O'Neill gave the telephone number of the local church as Truckee 132.

BECHDOLT HURT IN CAR CRASH

Carl Bechdolt Jr., widely known Tahoe City resident, was injured in an automobile accident near Lake Inn just north of Tahoe City at an early hour this morning. A companion, B. D. Duffey, employed by Bechdolt, was also injured. Both were taken to Tahoe Forest Hospital where attaches said they were under observation to determine the extent of injuries.

Details of the accident were not immediately available.

Langille Guests—

Mr. and Mrs. James Leamon and son Jimmy of Grizzly Island are guests of Mr. and Mrs. Harold Langille.

Sun Beams

by WALTER BARRETT

With the opening of the hunting season Saturday we believe it timely to mention the fact that thus far during the fire season the Truckee district of the Tahoe National Forest has not had one single major fire. This good record can be maintained only if everyone uses utmost caution as they visit the forests or establish camps. The smallest flicker of flame or a carelessly discarded cigarette or pipe ash can upset this record in a matter of minutes. Fires can be terrible things when uncontrolled and it is so easy and simple to avoid them if everyone exercises caution at all times.

Just one other thought on hunting. Everything that moves is not a deer. There will be hundreds of people in the trees and brush, many of them inexperienced and careless, so take it easy and don't shoot until you know it's a buck. It's far better to never kill a deer than to create a tragedy through carelessness or haste.

BOARD STUDIES ROAD PLANS AT MEADOW PARK

A concerted effort to find ways and means of relieving the troublesome street problem at Meadow Park featured a meeting of the directors of the Truckee Public Utility District, the county board of supervisors and property owners of the affected area here yesterday.

While no definite conclusion was reached, a number of suggestions were presented and discussed in an effort to reach a satisfactory basis from which the roads can be improved to a point where the county will absorb them in the secondary system.

It was pointed out by Pete Zydner and Elwood Buehler, representing the home owners, that there are nearly 30 homes in the area and a recent decision of the county to forbid county equipment from conducting a snow removal program on any road not in the system presents a bleak picture for this winter.

C. Edmunds, utility district manager, told the five supervisors present at the meeting that the district stood ready to deed necessary land for the roads at any time, and suggested that some way be found to permit the landowners to finance and develop the streets.

District Attorney Vernon Stoll said he was not certain what could be done but that he would make a search of the various assessment district laws to see if any was applicable.

It is estimated that it will cost $500 to keep the current inadequate streets plowed during the winter and that more than $10,000 will be needed to put the roads in shape to be taken over by the county. Present assessment values do not make it possible to bond the district, as this could raise only $1700.

County supervisors present were John Frank, Jay Coughlan, H. G. Loehr, Guy N. Robinson and Curtis Clark.

TRUCK PLUNGES OFF ROAD GRADE

Cecil E. Hopkins, Reedley, driving a tank truck and trailer under lease to Miles and Son of Merced, leaped to safety as his heavy vehicle "lost its brakes" and plunged off Donner Grade just east of the summit at 8 o'clock this morning. State Patrolman Roy Stallard investigated.

The suppression crew from the Truckee district of Tahoe National Forest was called to extinguish a blaze which broke out when a butane fuel tank broke and caught fire.

CHURCH SERVICES

Regular Sunday services at the Community Methodist Church here until further notice will be as follows: Church school, 9:45 a.m.; preaching, 11 a.m. every Sunday; evening services, 7 p.m. each 2nd and 4th Sunday.

Driver Of Death Car Is Charged In Local Warrant

Manslaughter Charge Is Filed Against Mullens

Eddie Mullens, 35, a resident of Eureka, who had been employed recently at Colfax, has been charged with manslaughter as the result of three deaths resulting from an automobile accident on Donner Grade August 30.

Mullens is accused of driving the car which plunged 125 feet down the rocky embankment bringing fatal injuries to Mrs. Marjorie Reinhardt Thompson, 42, Colfax; Mrs. Josephine Walters, 45, Coachella, and John LaRue, 46, also of Colfax.

Five others in the vehicle, including the driver, escaped serious injury. They were Madeline McCoy, 33, Coachella, and three hitch hiking Utah service men, L. C. Butterfield, James D. Andrus and Ray Pherson.

The mishap occurred at 4:20 a.m. as the car was coming down the grade.

The warrant for Mullens arrest followed a lengthy investigation by highway patrol officers and was sent to Truckee for service by Patrolman William Gautsche.

Arraignment will be before Judge F. W. Wilson in the Truckee judicial district court.

WOLVERINES TO OPEN SEASON AT DOUGLAS FRIDAY

The Tahoe-Truckee High School Wolverines open their 1953 football season Friday night as they tangle with Douglas County High School Tigers. The same is set to start at 8:00 p.m. on the Douglas field at Gardnerville, Nevada. This will be the first conference game for both squads as members of the Western Nevada Conference.

Douglas enters the fray with one loss to date, being defeated by the Stewart Indian School varsity last Friday 30 to 0. The Wolverines are untried so far this season.

Coaches Jim Brehler, Con Briner and JV Coach Gordon Butterfield have come up with a tentative starting lineup as follows: Lewis Fellows and Clyde Mandeville, ends; ;Gary Brumbaugh and Dave Germain, tackles; Wayne Germain and Aaron Thomas, guards; Roger Holbrook, center; Jay Stuart, quarterback; Hugh Van Hooser and Jerry Quam, halfbacks; Dick Mandeville, fillback.

HARRY'S SERVICE STATION LOOTED

Thieves some time Sunday night or Monday morning broke a window in the rear of Harry's Richfield service station and made off with $16 in cash, two tire tubes, a small quantity of lubricating oil and a water bag.

Constable N. F. Dolley and Deputy Roy Waters were called to make the investigation.

Harry Digesti, operator of the station, said the loss would exceed $25.

FURNITURE MAN BACK FROM SCHOOL

Robert Leamon, local furniture store owner, returned last week from attending Armstrong's Linoleum trade school at San Francisco.

While in that city, he received expert instruction on laying linoleum and learned of the many uses of the modern product.

GRANDSON BORN ON KIN BIRTHDAY

Richard Joseph of Gateway Park was happy to learn of the arrival of his first grandson on his own birthdate, Tuesday, September 15, according to a telephone call early that morning from Mr. and Mrs. Russell Caplan of Los Angeles.

The boy tipped the scales at 7½ pounds and has been given the names of Richard Lavon. His mother is the former Azad Joseph of Truckee.

Odd Fellow

Edward A. Seeley, grand master of the Independent Order of Odd Fellows in California, will pay an official visit to Donner Lodge No. 162 in Truckee Tuesday evening, September 22. Secretary F. A. Titus is in charge of arrangements for the reception of the visitor.

LOCAL HUNTERS ORGANIZE GUN CLUB AT MEET

A group of Truckee sportsmen met at Capitol Hall Tuesday evening to form the Beacon Hill Gun Club and set up the organization. Lauren Russell was elected president, Chet Burns is secretary-treasurer and directors are Jack Ellis, Ken Hedlund, Terry Tollefson, Al Koolhof and L. W. Ferdinand.

The club accepted the offer of Clarence Tollefson of the use of 2,000 acres of land around Beacon Hill north of Truckee for their exclusive hunting preserve. Membership is open to Truckee residents for a nominal $2 fee. Boundaries of the area will be posted, the club grounds will be patrolled during deer season and trespassers will be prosecuted.

On Tuesday night, it was pointed out that the newly formed gun club has no connection with the Truckee 20-30 Club and the latter group is not sponsoring it.

Another meeting of the group is scheduled for this evening at 7:30 in Capitol Hall, Burns reports, and those interested are invited to attend.

SAFETY BOOTH WAS SUCCESS

Mrs. Fred Pedley who supervised the Wyethia Club's safety booth at the state fair in Sacramento on the two weekends the show was in progress said the booth attracted wide attention. She said more than 60,000 pamphlets were distributed the two days she was there. Next year a bigger and more diversified booth is proposed.

PROGRAM CHANGE FOR WYETHIANS

Cyclone bridge will be played folowing the business meeting of the Wyethia Club Friday, September 18. The scheduled program has been postponed until next month, due to a change of plans of the speaker. Hostesses of the evening are Mesdames Royal Elf, John Wardman and Omar Alexander. Mrs. Fred Pedley will preside.

Reservations for the brunch to be given at 10:30 a.m. Friday, September 25, in the club house may be obtained at Cabona's store or by contacting Mrs. Carroll Maynard by the evening of September 24. The theme will be a "breakfast in Hollywood" and members planning to attend are asked to go as they are in morning attire.

SUNSHINE GIRLS TO NAME OFFICERS

Donner Council No. 13, Pythian Sunshine Girls, met last night in IOOF hall with Sharon Pace, royal princess, presiding. Grand Royal Advisor Mildred Kleckner of San Leandro and Lulu Wing, supreme deputy, were introduced and they praised the council highly for the progress made in their first year.

Next meeting will be the election of officers for the next six months term. Arlene Copeland and Ireda Harris served refreshments.

Rev. and Mrs. S. C. Winston attended a district Methodist meeting in Reno early this week.

Prospects Good For Opening Of Hunting Season

Hundreds Flocking Here For Annual Buck Hunt

Red caps and hunting rifles will be the order of the day for Saturday when the annual buck hunt starts in this district.

The prospects for the opening weekend, at least, are above average, according to sportsmen who have been scanning the terrain throughout the district for the past few weeks getting a lineup on local herds. The percentage of bucks is higher than in recent years, they are more frequent and in better condition, these experts declare.

The warm weather for the past several weeks, however, has permitted the deer to remain in the higher elevations and sportsmen declare they are rather widely scattered, with no single area in the district being favored over another, but with each hunter bound for his favorite location.

It is anticipated that combined factors will induce more than the usual number of opening day hunters to the area and already horse trailers, trucks and jeeps are pushing into the back country to establish camp as the hunters prepare for the first barrage.

There are a number of posted areas throughout the district, but for the most part the district is wide open but hunters are cautioned that the forests and brush are especially dry and that the fire danger is high. Strict enforcement of laws governing the use of fire will be maintained, E. E. Boehm, local .S. forest ranger, declared.

J. E. Joerger announces that the land he owns and controls, comprising little more than ten thousand acres south of Truckee, will be posted and closed, with the exception of the last three days of the season when hunters may disregard the signs now posted.

A number of extra game wardens are arriving here to aid Warden Irving Single in enforcing the game laws as the thousands of hunters spread for the annual kill.

WOMAN INJURED BY FOUL BALL

Mrs. N. F. Dolley spent several days in the Tahoe Forest Hospital last week recuperating from injuries to her neck suffered when she was struck in the eye by a baseball while watching a game at the local park 10 days ago. The foul ball ripped through the protection screen and struck Mrs. Dolley.

DONATIONS FOR HOSPITAL HERE

Three donations were received by the Tahoe Forest Hospital this week.

Mrs. Sidney Ehrman gave the institution $250 to be applied on the purchase of medical equipment. Mr. and Mrs. Richard Moore of San Francisco contributed $5 to be used for the purchase of a tree or shrub to add to the landscaping of the grounds and Mrs. C. Evans of Kings Beach donated a child's crib.

MUSIC CENTER STARTED HERE

The Nevada Music Studios of Sparks, Nev., has established a Truckee Music Center in the Donner Florists at Gateway Park where music, records and instruments may be purchased. With the buying of instruments, lessons may be taken for a small fee each week, according to Gene Halvorsen, proprietor of the studios, who also has branches at Fernley and Carson City.

PRICE OF BUTTER IS NOT 7 CENTS

Woops! Something slipped! In the advertising for Rose Brothers Market here this week, copy and proof called for a weekend special on butter at 72 cents per pound. Someplace in the process of printing, the "2" was broken off.

The accident was inadvertent and occurred in the Sierra Sun printing plant. The excellent bargain offered by the local market calls for butter at 72 cents per pound.

CLARENCE OSBURNS HAVE BABY GIRL

Kathryn Marie are the given names of the second daughter and fifth child of Mr. and Mrs. Clarence Osburn who arrived Friday, September 11 in the Tahoe Forest Hospital. The newest member of the family weighed a diminutive five pounds upon arrival.

Tahoe-Truckee School District News

DONNER TRAIL SCHOOL

Our school opened this week with an enrollment of 23 pupils. Seven of them are in the first grade and the others are scattered throughout the other five grades.

The younger group of children have started a unit on the home, community and the school. We have collected some pictures of homes and have discussed the types of homes. We will make a scrapbook of homes.

The upper grades have started a unit on the westward movement of the United States. We have started with the early explorers and will continue studying them for about six weeks. We are also making scrapbooks and will complete this part of the unit with a large map of early exploration.

TAHOE LAKE SCHOOL

Kindergarten and 1st Grade: We discussed what we wanted to be whene we grow up the ambitions of the various children are Donnie, Bury, an airplane driver; Allen Babcock, a space man; Rollin Kehlet, an airplane and hot-rod driver; Greg Moore, a butcher; Faye Olsen, a teacher; Jayne Shontz, a mother; Pat Watkins, a tow truck driver and a farmer; Joyce Anderson, a nurse; Tommy Barr, an airplane driver; Julianne Bechdolt, Cathy Conners and Karen Sue Marghirita, nurses; Pat Dempsey, a bomber driver; Mike Henry, a butcher; Jeff McLane, a train driver; Dale Mitchell and Lance Poulsen, firemen; Jacob Obexer and Joyce Randall, cowboys.

2nd and 3rd Grades: We want to welcome these new children to our room, Fred Pfiefer, Gippy Corella, Sherry Babcock, Kitty Reid, Mike McKerreghan, Bill Gorham, Gloria Drum and Janette Whitaker.

We have spent some of the first week of school getting acquainted with these new friends and renewed friendships. In class some of the things we had learned last year were reviewed. Numbers and simple combinations were written. We also read some of the stories we enjoyed last year.

4th, 5th and 6th: Along with the usual reviewing and getting acquainted which takes place during the first week of school, our room elected monitors, safety patrols and other officers. The following were elected to the safety patrol: Ellen Rich, Sherry Thatcher, Kenny Wilson, Roberta Bufford (captain), Gary Henry, Billy Conners, Jerry Prioste and John Gorham. The following have room jobs: Chad Campbell, Trent Giannini, Doug Ball, Judy Fanger, Steve Randall, Carol Stratton, Dennis Vierra, Paul Quartly, Carolyn Henry, JoAnn Pomin, Roland Hill, Jimmy Huega, Albert Gelmstedt, Randy Pomin, Jeff Davis, Judy Prioste, Sherry Briner, Diane Speeter and Bobby Nichols. The room voted to have these people hold these positions for one month.

We are happy to see our playground being repaired. The utility court is being resurfaced and the playground is being covered with top soil preparatory to lawn planting.

Because of the large enrollment in Tahoe Lake School this fall we are going to have the following faculty and grade groupings: Mrs. Hugh Smith will teach kindergarten, Miss Geri Bean will teach 1st and 2nd grades, Mrs. Gordon Butterfield will teach 3rd and 4th grades and Mrs. Robert Briggs will teach 5th and 6th grades. These groupings will continue as long as our enrollment warrants them.

KINGS BEACH SCHOOL

Kindergarten and 1st Grade: We have many new children in our room this year. We were eager for school to begin and soon learned the names of all our classmates. Those in the kindergarten are Barney Hansbearry, Jimmy DiPaolo, Linda Bonney, Judy Robert, Jill Robert, Catherine Brock, Chris Altof, Steve Felte, Kathy Malley, Paula Martin, Mike Reed, Phil Thompson, Darryl Lausche, Vicki Russel and Brucie Draney. Those in the first grade are Dianne Dacus, Amy Arndt, Carl Brooks, Jerry Hill, Ronnie Baker, David Reed, Wayne Mandeville, Pamela Powell, Marlea Draney, Dixie Lee Reese, Susan Graton and Loretta Barnett. Jimmy DiPaola is leaving for Palm Springs Sunday. We hope he enjoys his school there.

We have a new kindergarten schedule this year. The kindergarten children come to school at 10:45 and stay for lunch and until 2:30. Some of the first grade work is finished by the time the kindergarten pupils arrive.

Pamela Powell and Phil Thompson each brought beautiful flowers for our room.

2nd and 3rd Grades: Twenty-eight children are enrolled in our room. There are 15 second graders and 13 third graders.

Wednesday, during our science lesson, we took a hike through the woods. We saw a dead porcupine. We brought some of its quills for our science table. We each brought one different item for our exhibit. When we returned to our class, we showed the group what we had found and had a discussion about with its added collection of stones, each item. Our exhibit looks lovely cones, wild flowers, etc.

Ruth McPherson visited our classroom Wednesday morning.

Mr. and Mrs. Charles Chubb of San Jose visited our room Thursday. He talked to our class. Mrs. Chubb watched us play arithmetic games during our arithmetic period. She also listened to our story hour.

4th, 5th and 6th: We started school this year with 31 students in our room, 11 in the 4th grade, eight in the 5th grade, 12 in the 6th grade. Four are new students to our school. They are John McGoughey, 4th grade; Tony Watkins, 5th grade; Mary Ann Coldani, 6th grade, and Jill McGowan, 6th grade.

In arithmetic we checked out books and took quizzes in the fundamentals of addition, subtraction, multipication and division. Almost all the pupils found they hadn't forgotten a great deal about the fundamentals.

We have started our studies about the westward movement of the people of the United States.

Everyone is enjoying the mid-morning snack time at 10:25. The milk and graham crackers are very refreshing.

TRUCKEE ELEMENTARY

Kindergarten: Although the first week of school was an exceptionally busy one for the kindergarten, with so many new things to learn and do, we now have a good start on the study of our present unit "Home and Family." Pictures concerning home and family have been discussed, stories of home have been told at sharing time and an attempt was made by each child to portray, via crayon drawing, "May Family," which were presented to the parents.

Although most of our class members are native Californians, we were glad to welcome John Teall from Buffalo, N. Y.

First Grade: The 1st grade unit on "The Family" was off on a flying start this week. After discussion about the family and its purpose, the 1st grade was busy working to find pictures for the big scrapbook. Original stories will be written during the next few weeks. These with original pictures and poems will become part of the big scrap book. Through the study of this unit work the children will realize the daily problems that arise in the family and how each member of the family has a part in solving the problems.

Second Grade: We have 30 children in the 2nd grade. We have started a chart tsory book in which each member of the class will have an illustrated story. We are planning to make a mural for our social studies unit on trains.

Fourth Grade: We have started the school year by centering our subjects around present day Truckee and the surrounding area. We are studying the businesses and industries here, the elevation and population. We are learning to distinguish the various types of conifers by studying pine cones, needles, pictures and by making reports and reading. We hope to take some field trips soon to study the trees and historical landmarks and thus learn about Truckee's history.

Fifth Grade: The 5th grade is studying the discovery and exploration of the New World for social studies. Friday we saw two film strips on this subject. The children are looking through magazines for pictures to bring to class so we can compare and discuss the differences in methods of navigation 500 years ago with those of today.

We have three reading groups: A. Singing Wheels. B. Times and Places. C. Under the Roof. For the past week we have been reviewing fundamentals in arithmetic. We have chosen four teams for a contest which will be about a month in duration. When the contest is over we will average the scores and the two losing teams will treat the two winning teams.

Sixth Grade: The class has begun their unit on Canada and Alaska and have divided themselves into 15 committees to undertake the solution of various problems in which they are interested.. Stories, charts, illustrations and maps are among the different types of reporting that will be done by class members.

Four members of the class were elected to class offices. They are Paula Kaspian, president; Sammy Medford, vice president; Diane McGihon, secretary, and Jim Loynd, treasurer. Other members have positions of responsibility as monitors and safety patrolmen.

To determine how well the boys and girls knew the multiplication facts, a test was given. The average was 89.

Mr. Fuhrman of Fuhrman Music Company in Stockton showed the 5th, 4th and 6th grades a film on being a member in a school band. It was very interesting and educational.

Just like your favorite slippers

Comfort is hard to describe. It's a sleeping kitten next to a stove. It's that extra blanket on a cold night. It's a hammock on a summer afternoon.

It's also a Pullman room on an S.P. streamliner, and here's why: You have lots of space to relax in. You have all the privacy you want. You have individually controlled air conditioning. You have the wonderful full-length Pullman bed and clean white sheets every night. You have your own private toilet facilities. You have all the attentive personal service of a top-flight hotel. *And* you have the many recreational facilities of the Lounge Car, including games, refreshments and the stimulating conversation of congenial people.

Next time you travel on Southern Pacific, try the luxurious comfort of a Pullman room—roomette, bedroom, compartment, drawing room or suite. Also available: Pullman section space (upper and lower berths). You can reserve space in advance.

FREIGHT TRAVELS IN COMFORT, TOO

We handle freight gently and at low cost, too. On an average we move a ton of things for only 1.45 cents a mile. We have more miles of line serving more Western cities and towns than any other railroad. So, for fast, efficient and dependable freight service—whether carloads or l.c.l. —call our nearest agent.

Swanee's Letter

Tahoe City, Sept. 13

Dear Tahoeites:

This is Sunday evening and the big First Annual Tahoe Sky High Regatta is over at last—and what a race! What a race that unlimited Gold Cup event was! Never in my 22 years of reporting and attending the various regattas through the years has anything made my blood pressure rise like today's last lap of the championship. .

Tahoe's R. Stanley Dollar Jr. took all three heats of the big event but today he had real competition. Never have I seen a crowd go as wild over a boat race as they did when the little 16-foot 266 cubic inch hydroplane, Ruthless II, owned and piloted by Kenneth St. Oegger of La Crescenta, passed the big Hurrican IV, owned and piloted by Bill Stead of Reno, and powered with a 1750 horsepower enginegine. It was nip and tuck with the fast racers up to the finish and even though Dollar held his lead, except on one turn when Stead forged ahead for a moment, from the start, the Hurricane threatened for first place time and again. No boat as small as St. Oegger's has ever challenged the big fellows so successfully as in today's race. The Ruthless II is an innovation in racers, according to announcer Fred Main, being powered by a 185 horsepower Chevrolet engine which lies on its side, instead of being installed in the conventional manner. St. Oegger, Dollar and Stead made racing history today, all recorded by film and TV, newsreel and broadcast over Reno radio station KOLO Saturday.

Dollar's best time over the five laps of the nearly three miles course for the big boats was 92-.276, Stead's 86.914 and St. Oegger's 79.964 miles per hour. In lower climes it is believed these speeds would be at least seven miles per hour faster, so the experts declared.

The ladies' unlimited championship went to Mrs. Ollie Meek of Piedmont, who drove Dollar's Baby Skipalong to victory, her husband riding with her as mechanic. In Saturday's heat she had easy going and held a comfortable lead over Mrs. Henry Kaiser from the start. Today, however, a newcomer, Mrs. Barbara Santos of Stockton in a tiny "crackerbox" "Do It Again" came in first but failed to place first in the final accounting as she failed to enter Saturday's heat. Ed Santos of Stockton rode with his wife. Her best time was 45.023 mph., Mrs. Meek's was 44.249 and Mrs. Kaiser's was 41.209. The only accident of the regatta happened today and that was to Mrs. Santos who had to pay the penalty for winning her first race by being dunked in the lake not once, as is customary with the racing crowd, but twice. Plenty of stalwart gents hung around to aid her if she needed help but she still had on her life jacket and was in no danger. Mrs. Meek won the first ladies' championship race some three or four years ago when she drove Carl Bechdolt's Jr. Elsie B to victory in the Coast Guard Regatta and won a beautiful silver vegetable dish for her trouble.

One of the highlights of the day was the announcement that at the close of the championship event, Henry Kaiser on the spot purchased the Ruthless II from St. Oegger. No sooner had the deal been closed than little eight-year-old Mike Kaiser, lifebelt in place, was lifted down for a ride in the Ruthless but it apparently had run out of gas and had to be towed in.

Another innovation at the Sky High Regatta was the presentation of plaques to the mechanics of the winning boats, the experts who as a rule serve in silence, unsung and unrecognized for the mots part. Among these were Dick Jones of Ruthless II; Mayor Marion Beaver of Parker, Ariz., mechanic was R. M. Critchlon; Willie Miranda's Vina Mae, John Nunes; Ed Fletchall's Honey Bee Too, owned by Willis Mitchell of Long Beach, Mitchell was the mechanic; Carl Maginn's Hot Ice, Don Oakley; Thomas Caldwell's Blue Blazes, mechanic Jack Harris; George Mattucci's California Kid, Lon Graditi, Oakland, owner and mechanic; Kennie Iingram's Rangers Pup, his wife, Bonnie, mechanic; Richard Clark mcehanic for Dollar; George Goeschel for Stead; Porte Alameda and George Mattucci, mechanics for Kaiser.

The $5,000 Charles Mapes' perpetual trophy was designed by John Higgenbotham, brother-in-law of Stan Dollar for Shreve's of San Francisco; weighs 35 to 40 pounds; mad eof sterling silver, with parts plated in 24 karat gold; the racing hydros which adorn it were made in replica from pictures of the famous Slo-Mo IV and V, taken at the Seattle Gold Cup. It is said to be one of the most beautiful and elaborate trophies ever created.

At the close of the regatta, Miss Gloria Mapes of Reno, sister of the trophy donor, went for a ride in Hurricane IV, piloted by Bill Stead, and on the straight-away he was clocked doing 150 miles an hour.

Am indebted to Mrs. Kay Hallett, chairman of the racing committee, and Mrs. Charlotte Brown of Sacramento, chief scorer, for accurate information on the big two day even. They indicated that nearly 100 boats registered for the regatta but only about 76 actually entered the races. A disappointment was the failure of the Ethyl XX, former world record holder, for the 135 cubic inch class, recently purchased by Richard Davis of Tahoe Pines. She pulled out of the race in an early heat with engine trouble. I asked Kaiser why he failed to enter his boats the Aluminum II and Hot Metal and he said that one boat had a broken crankshaft and the other gas leaks. He hoped to have them in the next year's regatta, along with his newly purchased Ruthless II. Was greatly impressed by the good sportsmanship of the race drivers.

Given a big hand by the crowd was a group of war veterans from Reno Veterans' Hospital who were given front row seats at the front of the crowded piers. Laurels go too to George Wright, announcer, who served for two years as commodore of the California Speedboat Assocation in Oakland; he handled his job with humor and efficiency. Fred Main took over

Cream Whips Main Street Traffic

Big traffic jam in front of the office last week. Thought everybody in the county was coming in to buy *The Clarion,* but they weren't.

Seems a 5-gallon can fell off Whitey Fisher's truck, spilling cream all over the street. Our cop on duty, Tiny Fields, halted traffic so Whitey could pick up the can. Tiny was about to wave the cars on when a kitten ran out and started lapping up the cream.

Well, traffic piled up, but Tiny paid no heed. Light changed green three times. After the kitten had enough, Tiny waved the traffic through.

From where I sit, this was just a "Tiny" demonstration of the way people in our town are. They're usually pretty considerate and tolerant. If one of our neighbors prefers a good glass of beer to his friend's coffee at dinnertime, it's just each to his own taste and everything's "smooth as cream" between them.

FIRE DANGER PEAK TIME STILL AHEAD IN FOREST REGIONS

NEVADA CITY— Fall rains, sufficient to render the forests relatively safe from fire, normally can be expected by the middle of October, roughly one month from now.

Guerdon Ellis, forest supervisor of the Tahoe National Forest, reminds that this remaining month coincides with the most critical period of the year from the standpoint of forest fire danger. The woods will be at their driest and the period will see the most intensive public use of the forests of the year.

It is easy to prevent fires, Ellis pointed out. The few simple precautions to be taken should inconvenience no one. The important ones of these rules are:

1. Secure a campfire permit before leaving for the woods to camp. These can be obtained free at ranger stations, most sporting goods stores and many public offices, such as city halls and fire departments in mountain towns. Campfire permits are required for gasoline stoves as well as for any other type of fire.
2. Build campfires only in a safe place with a clearing of all inflamable material for a distance of five feet around it.
3. A campfire may not be left unattended at any time.
4. Extinguish campfire completely with water before abandoning it.
5. Smoking is permitted in vehicles on roads, in campgrounds and while stopped in an area cleared to mineral soil three feet in diameter. All burning material to be completely extinguished before discarding. Smoking is prohibited while traveling on foot or domestic animal through forest or brush covered areas or along roads and trails that are posted against smoking
6. Do not throw any burning or glowing substance from a vehicle.
7. It is unlawful to possess a fire tracer or incendiary bullets on or across forest covered land.

If every forest visitor will just do right by the above rules, the forest supervisor said, chances of forest fire and damage to natural resources will be greatly minimized.

CRUISE ON TAHOE SET FOR WEEKEND BY EXPLORERS

KINGS BEACH— Explorer Crew of Troop 31, Kings Beach, will serve as host to the Explorers, Crews and Posts of the Tahoe Area Council at an Explorer Cruise September 19 and 20 at Lake Tahoe. This is the first of the Explorer events on a Council level for the coming year planned at the Explorer leaders' planning conference held last spring.

Max Krueger of Kings Beach is receiving applications and reservations for the Explorers planning to participate in this big event. All units will camp at the William Kent Campground, about two miles south of Tahoe City, where they will do their own cooking as units.

Many exploring events will be planned by the host crew, the highlight of which will be a cruise on Lake Tahoe in a 48-foot cruiser. The activities will conclude Sunday, September 20.

TRUCK TAKES DIVE, HORSES ARE KILLED

TAHOE CITY—On last Saturday morning around 3 a.m. Red Dixon, hauling five horses in his truck from Tahoe City to the Bud Jones Stables at Squaw Valley, went over the bank at Burnham Hill, plummeting about 15 feet to the Truckee River below. Two of the horses were killed and the other three stood near the bank, badly frightened. The truck was wrecked and Dixon was taken by N. F. Dolley's Truckee ambulance to Tahoe Forest Hospital where chest and other possible in juries were treated. Cause of the accident was not immediately determined. (es)

NEVADA COUNTY NEEDY CHILDREN ARE GIVEN HELP

Aid to needy children in families in Nevada County averaged $115-.07 per family for July, 1953, compared with $118.43 per maily average throughout California and the $82.56 per famil average throughout the nation for May, 1953, California Taxpayers' Association reported this week.

The average aid to needy children per family in the county for July was about 39 per cent more than the $82.56 average family aid nationwide for May but about 3 per cent less than the statewide average for July, the association said.

In the county, 117 families, with 270 children, received a total of $13,463 in aid for July—an average of $49.86 per child. In addition ten children in boarding homes and institutions received $565, an average of $56.50 per child.

Throughout California, the average aid per family of needy children for July was about 43 per cent greater than the nationwide average for May, the latest data available, the association said.

During July in California, 51,839 families, with 126,290 children, received total aid of $6,139,044, an average of $48.61 per child. In addition, 9,558 children in boarding homes and institutions received a total aid of $577,510, or an average of $60.42 per child.

J. L. Hallaran, also known as J. L. Hallran, and ALSO All Persons Unknown, claiming any right, title estate, lien or interest in the real property described in the complaint adverse to plaintiff's ownership, or any cloud upon plaintiff's title thereto, Defendants.

SUMMONS

The People of the State of California Send Greetings To:

J. L. Hallaran, also known as J. L. Hallran, and ALSO ALL Persons Unknown, claiming any right, title, estate, lien or interest in the real property described in the complaint adverse to plaintiff's ownership, or any cloud upon plaintiff's title thereto, Defendants.

You and each of you are hereby directed to appear and answer the complaint in an action entitled as above, brought against you in the Superior Court of the State of California, in and for the County of Nevada, within ten days after the service on you of this summons, if served within this County, or within thirty days if served elsewhere.

And you are hereby notified that unless you appear and answer as above required, the said plaintiff will take judgment for any money or damages demanded in the complaint, as arising upon contract or will apply to the court for any other relief demanded in the complaint.

The object of this action is to make the above mentioned defendants set forth the nature of their claim or claims to the real property in the complaint and hereinafter described, if any they have, and that such claim or claims be adjudged to be of no effect and void, and the plaintiff's title to the same be quieted against them.

That said real property is all that certain lot, piece or parcel of land situate, lying and being in the County of Nevada, State of California, described as follows, to wit:

That certain lot situated in South Truckee, on the south side of River Avenue West, described as follows:

Commencing at the north east corner of the lot, from which a 1½ inch pipe at the corner of River Avenue West and Bridge Street bears N. 26°29' E. 175.02 feet and the ¼ section corner on the east side of Section 15, Township 17 North, Range 16 East, Mount Diablo Base and Meridian bears S. 39°12' E. 1693.33 feet. Thence:

1. S. 22°58' E. 143.00 feet to the southeast corner of the lot
2. S. 64°04' W. 140.00 feet to the south west corner, identical with the SE corner of the Moretta Lot

TAHOE TOPICS

by ETHEL J. VERNON

With the passing of another crowded weekend, the resort region has settled down to its usual medium-quiet but still thriving fall activities. The weather remains as pleasantly warm as midsummer, highways and roads continuously alive with traffic and the open courts and hotels well booked. Several of the larger places closed for the season last week, among them Tahoe Tavern which was officially closed Friday and by Saturday afternoon had everything neatly packed away for another eigth months.

Squaw Valley Lodge and concessions were closed last week for the usual four to six weeks between-seasons work period. The management plans extensive enlarging and remodeling there and repairs where nedeed.

Directors of the Tahoe City Rotary Club met last Thursday night at the home of the president, Howard Guth, at Tahoe Lodge. Among several club projects voted at this time was showing regular movies for the children of the community again as they were put on by the Rotary throughout the past winter. It was decided to have the shows once each week from the first of January through March. Besides this, the Rotary will sponsor the usual program and gifts under the Big Pine at Christmas time for all grammar schol pupils and smaller children. The club will also furnish materials this fall for building four more picnic tables to be used on the town commons, where pleasure parties are growing larger and more numerous as each summer comes on. The Tahoe Boy Scouts will donate the work of building the tables, with their Scoutmaster Paul Griffith, providing the work room and tools.

George C. Kennedy, 88, who resides at the Lake Forest home of his son-in-law and daughter, Mr. and Mrs. James Phares, has quite recently become an artist of considerable merit, displaying a talent he had never before in his long life been aware of. During his vacation here this summer, Kennedy has painted several Tahoe scenes in water color which easily put him in line as a formidable competitor of the famed Grandma Moses. His family plan to exhibit his painting here during the coming summer season.

Mr. and Mrs. Henry Kaiser Jr., who had not visited Tahoe for more than two years previously, made a special trip to the Kaiser lakeshore home here over the past weekend to watch the Kaiser boats compete for Gold Cup honors.

Dr. and Mrs. Richard Schofield, who were Tahoe residents more than 25 years ago, spent the past weekend as guests at the Clarence Bruener home at Homewood. It was their their first return trip to Tahoe since their former residence here.

Mr. and Mrs. Mike Fleury of Auburn were among the weekend visitors here who enjoyed the exciting boat racing events.

Mr. and Mrs. Arthur Winter of Carson City opened their Tahoe Park cottage for themselves and a party of friends over the past weekend to be on hand to witness the winning of the Mapes Gold Cup in the boat races.

A cradle shower given on the evening of September 9 in the Bertel Anderson home at Pineland for Mrs. Grace Gehlert of Tahoe City has been reported a great success. Mrs. Gladys Anderson and Mrs. Polly Brollard were joint hostesses to a capacity crowd of 40 friends of the Gehlerts. All decorations followed the pink and blue motif, with a huge bow of pink and blue ribbons as a welcome sign on the front door. A great parasol in the same colors hung from the living room ceiling and a large stork, with a pink and blue baby doll on its back, formed the unique center piece for the table. A delightful buffet dinner was served all around and the honoree was literally showered with pink-and-blue wrapped gifts.

The Henry Aldrich family of Riverside, who spend all their vacations at Tahoe, have recently purchased the former C. D. Woods home at Tahoma and plan extensive remodeling and enlargement of the place as a permanent home for themselves. Mrs. Aldrich, who is the former Helen Towne, left last week to get her young sons, Hank Jr. and George, started on their school terms in the south. Her husband is remaining here while the weather is good to manage the work on the new home.

Mrs. Ernest Hoerdler left her Tahoe City home last weekend for the Hoerdler place in Covina, where she teaches school through the winter and spring terms. Her husband plans to stay on here through the hunting season, as he has not failed during the past 15 years to bag a buck from the Tahoe back country. Their daughter, Pat, and family, who spent the latter half of the summer here, returned with her mother to Covina. A younger daughter, Mary Anne, left at the same time for UCLA where she is studying to be a teacher.

The Alfred Saronis and family closed their Tahoe Park summer home last week and left for their winter place in San Francisco.

Mrs. Gregor Merrill left her Tahoe City home this week to help settle her son Gergor Jr. for his term at the Thacher School at Ojai. Later she will join her husband in their winter home in New York City.

A distinguished San Francisco family have recently rented the St. Sure home on the lakeshore just south of Tahoe Tavern for a fall vacation. They are Dr. and Mrs. Frank Norris and daughter, Kathleen, of that city. Dr. Norris is a brother-in-law of the famous author Kathleen Norris.

Mr. and Mrs. Ted Beckett closed their summer cottage at Tahoe Pines last week and have gone home to their place in Orinda for the winter.

Houseguests in the C. W. Vernon home during the past week included F. E. (Gene) Walker, an artist friend from Santa Cruz who spent three days here, and Clyde Vernon of Elsinore, brother of C. W. Vernon, who enjoyed the latter part of the week here and witnessed the boat racing events. Other visitors at the Vernon home included Mrs. Ruth Vanni, a former Tahoeite, with her mother-in-law, Mrs. Etore Vanni, and Mr. and Mrs. Harvey Parker of La Crescenta, Calif.

After the boat races Sunday afternoon, Mr. and Mrs. Carl Bechdolt Sr. were hosts in their Tahoe City home at a birthday party in celebration of the natal anniversary of Mrs. Francis West of Colfax. Present at this delightful occasion besides the honoree and her husband were Mr. and Mrs. Bennet Heflinger, Santa Ana; Mr. and Mrs. Smiley Atkinson, Fallon; Mr. and Mrs. E. Bowers, with their son and daughter, Stuart and Katherine, of Berkeley; Mr. and Mrs. Mitchell, Mr. and Mrs. J. Gibbs and Miss Casey, all of Colfax.

NOTICE OF TIME AND PLACE OF TRUSTEE'S SALE OF REAL ESTATE UNDER DEED OF TRUST

NOTICE IS HEREBY GIVEN that on Friday, the 2d day of October, 1953, at the hour of 10:00 o'clock A.M. of said day, at the main entrance door of the County Court House in the City of Auburn, County of Placer, State of California, the undersigned, as substituted trustee, will sell at public auction to the highest and best bidder, for cash in lawful money of the United States of America, payable at the time of sale, all of the following described real property situate, lying and being in the County of Placer, State of California, particularly described as follows, to wit:

PARCEL 1: The North half of Section 4, Township 15 North, Range 16 East, M.D.B.&M., consisting of 309 acres.

PARCEL 2: The Southwest quarter of the Northeast quarter and the Northeast quarter of the Southwest quarter and the Northwest quarter of the Southeast quarter and the Southeast quarter of the Northwest quarter of Section 6, Township 15 North, Range 16 East, M.D.B.&M. consisting of 160 acres.

Said sale will be made to satisfy the obligations secured by and pursuant to the power of sale contained in that certain deed of trust dated the 30th day of June, 1950, recorded the 18th day of July, 1950, in the Office of the County Recorder, County of Placer, State of California, in Book 572, at Page 124, Official Records of said County of Placer, executed by ALTON A. JACK and ELLA E. JACK, husband and wife, as Trustors, to INTER-COUNTY TITLE CO., a Corporation, as Trustee, and to A. J. RUPLEY and FAY M. RUPLEY, husband and wife, as joint tenants, as Beneficiaries, and given to secure the payment of a certain promissory note of even date therewith in the principal sum of FORTY SEVEN THOUSAND FIVE HUNDRED DOLLARS ($47,500.00), payable to the said Beneficiaries, or order, and of all other and additional sums which might thereafter be loaned to the Trustors by said Beneficiaries or by the owner and holder of the promissory note secured by the said deed of trust.

The undersigned was substituted as Trustee in and under said deed of trust in the place and stead of INTER-COUNTY TITLE CO., a corporation, the Trustee therein named, by an instrument executed by FAY M. GUNBY, formerly FAY M. RUPLEY, the surviving beneficiary under said deed of trust, dated August 31, 1953, recorded September 4, 1953, in Book 635, at Page 308, Official Records of said County of Placer, to which said record reference is hereby made.

Notice of breach and election to sell under said deed of trust was recorded in the Office of the County of Placer, State of California, on March 12, 1953, in Book 624, at Page 527, Official Records of said County of Placer, to which said record reference is hereby made.

This notice is given in compliance with a demand heretofore made on the undersigned substituted trustee by the said FAY M. GUNBY, formerly FAY M. RUPLEY, the present owner and holder of said promissory note and trust deed.

SWANEE

(Continued from Page 3)

the announcer's job on the ladies race and the championship event. Highest praise is due the men and women who staged this firt annual Sky High Regatta at Tahoe, which brought thousands into the area, keeping Carrol Raymond, secretary-manager of the Lake Tahoe-Sierra Chamber of Commerce busy finding reservations until well after midnight Friday and Saturday. Everything was packed but have not heard an estimate of the number of visitors. It was estimated about 15,000 witnessed today's events, scattered along the shoreline for miles.

The Women's Club of Tahoe and Tahoe City Rotary Club held "hospitality house" at Tahoe Community Center for visitors who wanted to rest or stop for a cup of tea and all of Tahoe City's facilities, ambulance, fire truck, etc., stood by ready for action. Main, president of the local chamber, thanked them all, saying cooperation was 100 per cent. Main himself is entitled to considerable credit for the success of the big regatta, as he has been a tireless and enthusiastic worker for the cause. Officials promise next year's regatta will be even bigger and better than this, with more gold cup entries assured, as drivers and owners highly praised the course, the water and the weather, as well as the beautiful scenery at Tahoe.

Folks came from as far away as New York for the regatta. One couple, newlyweds Mr. and Mrs. Norman G. Zenke of Long Island, flying out for the event. They are guests at the lake shore home of Capt. and Mrs. Arthur E. Orvis at Elk Point on the Nevada shore.

Following the races, Bill Stead and his powerful Hurricane IV are still with us, having a little fun. Monday morning Bill was acting as standin for movie star Rock Hudson in the filming of "Magnificent Obsession," under production by Universal studios. The cast, with Jane Wyman as feminine lead, are spending two adys at Tahoe, with filming of scenes concluding on Tuesday. Monday Stead, unhampered by sharp turns of a racing course, let his speedster have its head, with speeds over 150 miles per hour resulting. At times the 'plane overhead, filming the picture, could not keep up with him, according to Fred Main. Cameras were mounted on Dollar's Mercury which followed the hurricane. A crowd of townsfolk watched the procedure.

Am sorry to learn that Tahoe is about to lose two well known and popular families soon, both planning to move to other climes. First to go will be Mr. and Mrs. Carl Wheat, parents of Mrs. Al Henry Jr. of Tahoe City, who have disposed of all their household belongings after having resided at Tahoe Tavern for the past nine years, where Wheat conducted a taxi and sight-seeing business in this area and operated a service station at the resort. They will depart after September 15 for Idaho where they plan to visit friends, then drive on to Michigan where they pnck up a new coach trailer. After acquiring a new luxury home on wheels they will continue on to New York where they plan to visit their daughter, Edna, and her husband. Mr. and Mrs. W. H. Reidell. After this they will make their way leisurely to look over Miami, Florida. If it appeals to them, they will stay for the winter. If they don't like it, they'll come back to Las Vegas where they formerly resided. The second couple selling their Tahoe Park home and planning to leave some time in the not too distant future are Mr. and Mrs. Nate Sexton. Mrs. Sexton ,formerly employed at the Tahoe City post office, has been ill for several months and doctors believe her health may improve in a lower clime. Sexton has been employed this summer at Beardsley's Tahoe City Trout Farm. Their many good friends and neighbors in the area will regret their departure but hope the change will help Mrs. Sexton's health.

Recent guests at the Art Sather summer home at Homewood were Mr. and Mrs. Sam Zall of Live Oak and Leon Whitney of Maxwell.

Six year old Kit Reid of Los Angeles is spending a month at the home of he uncle and aunt, the Bud Scotts. Bert Scott of Piedmont was among those who have closed their homes here who came back for the Gold Cup races.

William Long of San Fernando, endurance swimmer who recently swam across the lake from Meeks Bay to Cave Rock successfully, was among those present at the judges stand today on the Tahoe Boat Company pier. It was announced that Long has been crippled in one leg ever since his history-making swim. If all goes well, he plans to return next summer to swim Tahoe—lengthwise. I wish him luck.

Recent guests at the Timberland Tract home of Superior Judge and Mrs. Chester McDonald of Woodland were Mr. and Mrs. George Lenahan and son Tommy of Pasadena. Guests of the Lou Kennedys of Timberland last week included Mr. and Mrs. Lloyd Grabiel and Mr. and Mrs. Ed Browning, all of Piedmont. On Tuesday the Kennedys left for Portland for a week's vacation in the north. They arrived just in time to help celebrate the birthdate of their son Louis and visit with his wife and children, Jimmie and Susan. The Emil Krafts of Woodland and Timberland will enjoy much of the coming winter at Carmel where they recently purchased a cottage. Both are golfing enthusiasts and will have some of the coast's finest courses available on the Monterey peninsula. Judge McDonald flew to Los Angeles on Thursday to hear a motion for a new trial relative to a case he heard last July while sitting on the LA superior court bench for that month. He returns home to Woodland to Woodland Sunday. Other Timberland residents in for holidays included Steve Boutons of Woodland and the Gus Kirks of Marysville. Mr. and Mrs. Charles Merz, former Timberland summer residents from Marysville are now building a beautiful new home near the golf course out of Chico.

Dropped in to Tahoe Realty Company on Sunday, September 13, but found the day had brought good not bad fortune to Mrs. Ruth Droste, for in the mail of that date she received her broker's license—a thrill for the lady, indeed. She plans to remain open until mid-October as usual but has made no definite plans as yet for her winter residence.

In closing for this week, want to remark that never have I seen so many officers in Tahoe City as there were Saturday and Sunday. Inquiring of Constable Harry Johanson as to whence they came, he informs me they are members of the sheriff's department's auxiliary police, a branch of Placer County's Civil Defense set-up and they are available for emergency service. Ten of the good gents were on hand to help guide the huge crowd of cars which visited the lake area over the two day regatta and no accidents were reported hereabouts as far as I can learn. The men were under the jurisdiction of Constable Johanson and received no pay for their services — except some valuable experience.

Ring off for the week and really hope the wonderful two-day performance just concluded, sanctioned by the American Power Boat Association and sponsored by the Lake Tahoe-Sierra Chamber of Commerce, with the able assistance of the Coast Guard and many other local organizations, will soon other local organizations, will soon become world famous in scope and more and more successful each passing year. With proper cooperation all around it can be made not only top entertainment but a gold mine to local resorts and business establishments. Adios until next week, as ever, Swanee.

Why just look and sigh—and pass up so much real automobile?

Why—when this big and beautiful new Buick SPECIAL delivers for the surprisingly low price shown here?

Could be you're one of those folks who still don't believe that the price of a Buick really *is* just a few dollars more than that of the so-called "low-priced" cars.

So here we show our car and price to prove it.

But beyond that—what you get in this great Buick, for so small a step-up in what you pay, is plenty.

More power. Fireball 8 power. The highest horsepower and compression ratio ever placed in a Buick SPECIAL.

More room. Real six-passenger room—even by man-size measurement.

More comfort. The solid comfort of Buick's Million Dollar Ride—with coil-spring cushioning on all *four* wheels, wide-tread stability, torque-tube steadiness.

More pleasure. The pleasure of high visibility, of luxurious fabrics and fittings, of superbly easy handling—and the deep satisfaction of bossing a big and able and stunningly styled automobile that does you proud wherever you go.

Why not drop in on us and see things for yourself?

That way you'll also learn about the long list of "extras" you get at no extra cost in this spirited new 1953 Buick SPECIAL—things that most other cars of similar price charge for as extras. Can you make it this week?

NORTH TAHOE

by THELMA BURROUGHS

In the membership drive, Clyde Mast of Reno won the 17-foot runabout given away for the North Tahoe Fire Protection Association. Revenues from the drive barely exceeded the cost of the boat, to say nothing of the hard work, long hours and worry. Mac Burroughs said, however, it was all worth it and he thanked all those who helped out on this project.

Rev. Sidney Winston announces a new program of services for Wee Kirk o' the Pines at Kings Beach, which is church school every Sunday at 10 a.m., preaching at 11 a.m. every 1st, 3rd and 5th Sunday; evening worship at 7 p.m. every 2nd, 4th and 5th Sunday.

Has anyone an idea who might be willing to take over the Kings Beach branch of our Placer County Free Library? We need this branch up here for convenience of our year around residents, as well as our reading vacationists. Hundreds of books are dispensed monthly to summer vacationists who want to relax and read while at Tahoe. It is desirable to have the library in or very near Kings Beach. Not a great deal of space is required for the number of books now on hand. The person housing these books should be a year 'round resident who also likes to read. Any suggestions? Please call Burroughs at Brockway 375. Wish to find quarters for these books not later than the middle of October.

A luncheon and election of officer for the Lake Tahoe-Sierra Chamber of Commerce will be held at a presently unannounced place on September 29. Watch for announcement of location next week. Members also will be notified by letter as soon as arrangements are completed.

The Women's Circle of the Community Methodist Church will serve a turkey dinner Friday night, September 25, at the Open Air Chapel at the end of Bear Street. Adults $2, children $1. The theme is "Have fun celebrating your birthdate at the end of Bear Street." It seems there will be some tricky little arrangement whereby each and every one can celebrate his birthdate at this dinner regardless of when it is.

Mr. and Mrs. Norman Kuhlmeyer and daughter, Ruth, of San Mateo are guests in the Fred Vercoe home this week. By the way, friends of Vercoe are glad of his satisfactory recovery from a recent illness.

Biby Study was held at the home of Mrs. Vera Mosier at Veren Villa last Tuesday.

Mrs. Era Miller left last Tuesday for southern California to be with her mother, who is quite ill.

Mr. and Mrs. Leonard Chanda left for their home in Gardena last Wednesday following a wedding anniversary dinner given them by Leonard's parents, Mr. and Mrs. Henry Chanda on Tuesday evening. It was their 13th anniversary.

E. M. Frost has left Kings Beach to return to Fontana for the winter months.

PART PAIUTE, PART SHOSHONE, Arlene Williams is one of the girls nominated by the Fallon Indian Reservation to be Queen of Nevada. Judging for queen will be at Carson City on September 20 and when chosen the queen will rule over Nevada on Nevada Day, the state's great celebration October 31 and November 1.

KILNER TRACES TAHOE YEARS

TAHOE CITY— Members of the Tahoe City Rotary Club heard one of their fellow members, Fred Kilner, trace his history as a Tahoeite at Tuesday's meeting in Tahoe Inn. Kilner told how he first came to the region in 1923 entering the real estate business at Fallen Leaf. Three years later he moved to the site of Big Chief on the Truckee River where he operated a tourist camp while dealing in real estate along the river.

From there he moved his real estate operations to Sunnyside, just south of Tahoe City and thence to his present location at Homewood.

There were 18 visiting Rotarians and President Howard Guth presided. (ejv)

Ever See Dirt Under a Microscope?

If you have ever looked at dirt under a microscope you would see, for the most part, tiny, odd-shaped stones with knife-like edges. This grit actually cuts into the fabric of your clothing and causes it to wear faster.

Regular and expert dry cleaning will remove these particles and keep your garments in shape for longer wear. Let us handle your dry cleaning needs. You will be pleased with our complete service.

WHERE POWER COUNTS
SHOOT REMINGTON BIG GAME CARTRIDGES

For hard-to-stop game such as grizzly bear and moose experienced big game hunters prefer the heavy, hard hitting types of Remington cartridges with "Core-Lokt" bullets that assure maximum shocking and stopping power.

The "Core-Lokt" bullet is made with jacket and core locked together. This keeps the bullet in one piece, no matter what it hits! Because of this special design, the "Core-Lokt" bullet penetrates, then mushrooms. Mushrooming is uniform, often reaches double normal caliber.

by EDGAR RICE BURROUGHS

MONTHS PASSED, AND THE CIRCUS TRAGEDY WAS FORGOTTEN—FORGOTTEN, TOO, WAS THE MONGOL REIGN OF TERROR, FOR TARZAN OFTEN PATROLLED HIS VAST DOMAIN, AND THERE WERE NO FURTHER SIGNS OF DISORDER.

THERE HAD BEEN TEMPORARY PEACE IN THE CONGO, BUT SOON TARZAN FOUND EVIDENCE OF A NEW TERROR... A NATIVE VILLAGE HAD BEEN RANSACKED, STRIPPED OF LIFE! THE APE-MAN'S ACUTE NOSTRILS PERCEIVED A LINGERING, FELINE SPOOR; THE RESIDENTS HAD BEEN BRUTALLY CLAWED—AND NOW, SUDDENLY, TREMULOUS DRUMBEATS ANNOUNCED THAT SAVAGE CATS HAD STRUCK ANOTHER VILLAGE!

DEEPLY PERTURBED, TARZAN HASTENED TOWARD THE AREA OF THE LATEST DISASTER. WHAT WAS BEHIND THIS INSIDIOUS MYSTERY? WHY HAD THE CARNIVORES ATTACKED?

ABRUPTLY, THE APE-MAN WAS STOPPED BY A SHOWER OF ARROWS—

STINGING BARBS CREASED HIS ARMS AND HE CRASHED DOWNWARD TO THE EARTH!

NOW A GROUP OF WILD-EYED NATIVES SWARMED ALL OVER HIM, STRIKING FRANTICALLY—CRAZED BY FEAR AND DESPERATION!
